

AN ORDINANCE OF THE CITY OF AURORA, MISSOURI, REPEALING TITLE V "BUILDING CODE" CHAPTER 500 "BUILDING REGULATIONS" BY REPLACING IT WITH A NEW CHAPTER 500 "BUILDING REGULATIONS"

WHEREAS, the City of Aurora, Missouri (the "City"), is a city of the third class and political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of the constitution and laws of the State of Missouri; and

WHEREAS, the Building Official and the City Council having reviewed the current ordinance and the basis for the proposed changes, determined the need to repeal Title V: "Building Code" Chapter 500: "Building Regulations" by replacing it with a new Chapter 500: "Building Regulations" to the Municipal Code of Ordinances; and

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF AND FOR THE CITY OF AURORA, MISSOURI, AS FOLLOWS:

Section One. The City Council hereby amends Title V: "Building Code" Chapter 500: "Building Regulations" by replacing it with a new Chapter 500: "Building Regulations" to read as follows:

ARTICLE I. GENERAL PROVISIONS

SECTION 500.010: APPOINTMENT OF BUILDING OFFICIAL

The City Manager is the chief appointing authority of the Building Official of the City and is hereby granted full and complete authority to determine the qualifications of the Building Official. (Code 1972, §6-2; Ord. No. 85-1891, 7-8-85; CC 1988 §5-2; Ord. No. 2000-2433 §3, 5-9-00)

Cross References--The building official is hereby designated the electrical inspector, §500.060; officers and employees, Ch. 105; personnel, Ch. 130.

ARTICLE II. BUILDING CODE AND BUILDING STANDARDS

SECTION 500.020: INTERNATIONAL BUILDING CODE -- ADOPTION

The City hereby adopts the "International Building Code 2018 Edition", as published by the International Code Council, Inc., one (1) copy of which Code is on file in the office of the City Clerk and marked "Official Copy". (Code 1972, §6-3; CC 1988 §5-21; Ord. No. 95-2195 §§1-3, 9-12-95; Ord. No. 2004-2581 §§1-3, 1-27-04)

SECTION 500.030: INTERNATIONAL BUILDING CODE -- AMENDED

A. The following Sections of the International Building Code, 2018 Edition adopted in Section 500.030 are amended as follows:

Section 101.1 Title. These regulations shall be known as the Building Code of the City of Aurora hereinafter referred to as "this Code".

Section 101.2 Scope. The provisions of this code shall apply to the construction, alteration, movement, enlargement, replacement, repair, equipment, use and occupancy, location, maintenance, removal and demolition of every building or structure or any appurtenances connected or attached to such buildings or structures.

Exceptions: 1. Detached one- and two-family dwellings and multiple single-family dwellings (town houses) not more than three stories above grade plane in height with a separate

means of egress and their accessory structures shall comply with the International Residential Code.

2. Existing buildings may be repaired, altered, added to, or have a change of occupancy in accordance with the provisions of the International Existing Building Code 2018 Edition.

Section 108.2 Fee schedule. A fee for each plan examination, building permit, rezoning, Board of Adjustment, plat review, excavation, land disturbance, paving and inspection shall be paid in accordance with Subsection (B) of this Section.

Section 112 Board of Appeals. Section 112 of the International Building Code shall be revised to read as follows:

SECTION 112 BUILDING BOARD OF APPEALS ESTABLISHED

Section 112.1 General. A Building Board of Appeals is hereby established for the City for the purpose of hearing and deciding appeals of decisions or determinations made by the building official relative to this code or any other building codes that may be adopted by the City and to hold evidentiary hearings at the request of the City to order repair or to demolish any structure deemed to be a danger to the health, safety, and welfare of its citizens.

112.1.1 Scope of Board. Applicants for a building permit, the holder of a building permit, or the owner and/or agent of a building or wherein permit work is to be completed may appeal, within ten (10) days exclusive of weekends and holidays, to the Building Board of Appeals from a decision of the building official when it is claimed that:

- a. The true intent of code or rules legally adopted there under have been incorrectly interpreted.
- b. The provisions of the code do not fully apply, or
- c. An equally good or better form of construction is proposed.
- d. In addition, the Building Board of Appeals shall hold an evidentiary hearing as to whether any structure inside the city limits should be ordered to be repaired or demolished due to being an unsafe structure as defined in Section 510.040 of the Aurora City Ordinances, and if warranted, to order their repair or demolition and clean up, the cost of which shall be assessed against the owner and which the City may place a lien upon the land for the purpose of collecting said cost.

112.1.2 Membership of the Board. The Building Board of Appeals shall consist of five (5) members appointed by the Mayor with City Council approval. One (1) member shall be appointed for a term of one (1) year, two (2) members shall be appointed for terms of two (2) years, and two (2) members shall be appointed for terms of three (3) years. Thereafter, all members shall be appointed for terms of three (3) years. All members shall serve until their terms have expired or they have been replaced. The building official shall be an ex officio member but shall have no vote. Members may not be employees of the City and need not be residents of the City.

112.1.3 Alternate members. Two (2) alternate members shall be appointed for terms of three (3) years who shall be called by the chairperson to hear appeals during the absence or disqualification of a member. Alternate member shall possess the same qualifications required for Board membership and shall serve until their terms expire or they are replaced.

112.1.4 Qualifications of Board members. The building Board of appeals shall consist of individuals who are design professionals or who are qualified, by education, experience, or training in the various disciplines or professions associated with the building industry, to decide appeals of the building official's interpretation or application of the provisions of the International Building Code.

112.1.5 Rules and procedures. The Board is authorized to establish policies and

procedures necessary to carry out its duties.

112.1.6 Chairperson. The Board shall annually select one of its members to serve as chairperson.

112.1.7 Conflict of interest (disqualification). A member or alternate member shall not hear an appeal in which he or a member of his family has a personal, professional, or financial interest.

112.1.8 Secretary. The secretary of the Planning and Zoning Commission shall serve as secretary to the Board. The secretary shall file a detailed record of all proceedings in the Planning and Zoning office, the building official's office, and the office of the City Clerk.

112.1.9 Compensation. Board members shall not be compensated for their service.

112.1.10 Notice of meetings. The Board shall meet, upon notice from the chairperson, within ten (10) days of the filing of an appeal and at such other times as deemed necessary.

112.1.11 Open hearings. All hearings before the Building Board of Appeals shall be open to the public. The appellant, the appellant's representative, the building official, and any person whose interests are affected by the matter on appeal shall be given an opportunity to be heard.

112.1.12 Procedures. The Board shall adopt and make available to the public through the secretary, procedures under which a hearing will be conducted. The proceedings shall not require compliance with strict rules of evidence but shall mandate that only relevant information be received.

112.1.13 Board decisions. A concurring vote of four (4) or more of its members is required for the Building Board of Appeals to modify or reverse the decision of the building official. Failure to receive four (4) concurring votes shall be deemed a confirmation of the building official's decision.

112.1.14 Postponed hearings. At least four (4) members must be present to conduct a hearing. When less than five (5) members are present to hear an appeal; either the appellant or the appellant's representative shall have the right to request and receive a postponement of the hearing.

112.1.15 Resolution. The decision of the Board shall be by resolution. Copies certified by the chairperson shall be furnished to the appellant and/or the building official.

112.1.16 Administration. Decisions of the Board arrived at during hearings of permissible appeals are final. The building official shall take immediate action in accordance with the decision of the Board.

112.1.17 Hearings. Any hearing held by the Building Board of Appeals as it relates to the demolition of unsafe structures shall allow for the owner of said structure to be represented by counsel but that the rules of evidence shall not apply.

112.2 Limitations on authority. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted there under have been incorrectly interpreted, the provisions of this code do not fully apply, or that an equally good or better form of construction is proposed. The Board shall have no authority to set aside the technical requirements of this code, however, it is allowed to consider and approve alternative methods of compliance with the technical requirements. The Board shall also determine after an evidentiary hearing as to whether any structure should be repaired or demolished due to being an unsafe structure, and if warranted, to order the demolition and clean-up of same.

112.2.1 Recommendations. The Board may, in conducting its hearings, discover situations that do not fit the strict guidelines for permissible appeals. In those cases, the Board may make recommendations to the building official for his consideration.

112.2.2 Application Fee Required. Per Section 500.030 of the Municipal Code of the City of Aurora, Missouri the application fee for filing an appeal with the Building Board of Appeals will be \$100.00 per application.

Section 113.4 Violation penalties. Any person who shall violate a provision of this

Code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the Code Official, or of a permit or certificate issued under the provisions of this Code, shall be guilty of a City ordinance violation, punishable by a fine of not more than five hundred dollars (\$500.00), or by a sentence to the City Jail not exceeding ninety (90) days, or by both such fine and jail time. Each day that a violation continues after due notice has been served shall be deemed a separate offense. The City Council by this ordinance ratifies any prior orders of the Building Inspector concerning provisions of the International Building Code or the BOCA Code as applies to any conduct in the past.

Section 1612.3 Establishment of flood hazard areas. To establish flood hazard areas, the governing body shall adopt a flood hazard map and supporting data. The flood hazard map shall include, at a minimum, areas of special flood hazard as identified by the Federal Emergency Management Agency in an engineering report entitled "The Flood Insurance Study for the City of Aurora," most current addition dated August 2, 2012; Panel numbers 29109C0435D, 2919C0451D, 29109C0452D, 29109C0453D and 29109C0460D, as amended or revised with the accompanying Flood Insurance Rate Map (FIRM) and Flood Boundary and Floodway Map (FBFM) and related supporting data along with any revisions thereto. The adopted flood hazard map and supporting data are hereby adopted by reference and declared to be part of this section.

Section 3403.1 Existing buildings or structures. Additions or alterations to any building or structure may be made in accordance with the provisions of the International Existing Building Code 2018 Edition. Additions or alterations shall not be made to an existing building or structure, which will cause the existing building, or structure to be in violation of any provisions of this code. An existing building plus additions shall comply with the height and area provisions of Chapter 5. Portions of the structure not altered and not affected by the alteration are not required to comply with the code requirements for a new structure.

Section 3410.2 Applicability. Structures existing prior to the passage of the adopting ordinance for the International Building Code, in which there is work involving additions, alterations or changes of occupancy, shall be made to conform to the requirements of this Section or the provisions of Sections 3403 through 3407. (The remainder of Section 3410.2 is not amended.)

ARTICLE IV. PLUMBING

SECTION 500.110: PLUMBING CODE -- ADOPTION

The City hereby adopts the "International Plumbing Code 2018 Edition" as published by the International Code Council, Inc., one (1) copy of which code is on file in the office of the City Clerk and marked "Official Copy".

The following amendments shall be made to the International Plumbing Code:

Section 101.1 Title. These regulations shall be known as the International Plumbing Code of the City of Aurora hereinafter referred to as "this code."

Section 106.6.2 Fee schedule. The fees for all plumbing work shall be as indicated in the following schedule: See City Ordinances 500.030, 705.390 and 705.410.

Section 106.6.3 Fee refunds. The building official shall authorize the refunding of fees as follows:

1. The full amount of any fee paid hereunder that was erroneously paid or collected.
2. Not more than eighty (80) percent of the permit fee paid where work has been done under a permit issued in accordance with this code.
3. Not more than eighty (80) percent of the plan review fee paid where an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan review effort has been expended.

The code official shall not authorize the refunding of any fee paid except upon written application filed by the original permittee not later than 180 days after the date of fee payment.

Section 108.4 Any person who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, install, alter or repair plumbing work in violation of the approved construction documents or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be guilty of a City of Aurora ordinance violation, punishable by a fine of not more than five hundred dollars or by imprisonment not exceeding ninety (90) days, or both such fine and imprisonment. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

Section 108.5 Stop work orders. Upon notice from the code official, work on any plumbing system that is being done contrary to the provisions of this code or in a dangerous or unsafe manner shall immediately cease. Such notice shall be in writing and shall be given to the owner of the property, or to the owner's agent, or to the person doing the work. The notice shall state the conditions under which work is authorized to resume. Where an emergency exists, the code official shall not be required to give a written notice prior to stopping the work. Any person who shall continue any work in or about the structure after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be liable to a fine of not less than \$50.00 dollars or more than \$500.00 dollars.

Section 109 Application for appeal. Any person shall have the right to appeal a decision of the code official to the Board of appeals. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or an equally good or better form of construction is proposed. The application shall be filed on a form obtained from the code official within 20 days after the notice was served. All appeals shall be deferred to the Building Board of Appeals for the City of Aurora. See Section 500.030: International Building Code – Amended

Section 305.4.1 Sewer depth. Building sewers that connect to private sewage disposal systems shall be a minimum of eighteen (18) inches below finished grade at the point of septic tank connection. Building sewers shall be a minimum of eighteen (18) inches below grade.

Section 602.3 Water supply. A public water system shall be considered available to a

structure where the property line is located within one hundred (100) feet of the public water main.

Section 701.2 Sewer required. A public sewer system shall be considered available to a structure where the property line is located within one hundred (100) feet of the public sewer main. (Code 1972, §26-1; CC 1988 §5-106; Ord. No. 95-2195 §§1--3, 9-12-95; Ord. No. 2004-2581 §§1--3, 1-27-04; Ord. No. 2004-2628 §§1--3, 11-9-04

SECTION 500.120: DEPTH OF PIPES

Water service piping and sewers shall be installed below recorded frost penetration, but not less below grade than thirty (30) inches for water piping and eighteen (18) inches for sewers. Plumbing piping in exterior building walls shall be adequately protected against freezing by insulation or heat or both. (Code 1972, §26-2; CC 1988 §5-107)

ARTICLE V. MECHANICAL

SECTION 500.130: MECHANICAL CODE--ADOPTION

The City hereby adopts the International Mechanical Code, **2018** Edition, as published by the International Code Council, Inc., one (1) copy of which code is on file in the office of the City Clerk and marked "Official Copy". (Code 1972, §18-1; CC 1988 §5-126; Ord. No. 95-2195 §§1--3, 9-12-95; Ord. No. 2004-2581 §§1--3, 1-27-04; Ord. No. 2004-2628 §§1--3, 11-9-04)

The following amendments shall be made to the International Mechanical Code:

Section 101.1 These regulations shall be known as the Mechanical Code of the City of Aurora, hereinafter referred to as "this code."

Section 106. 5.2 The fees for all mechanical work shall be as indicated in the following schedule: See City Ordinances 500.030.

Section 106.5.3 Fee refunds. The building official shall authorize the refunding of fees as follows:

4. The full amount of any fee paid hereunder that was erroneously paid or collected.
5. Not more than eighty (80) percent of the permit fee paid where work has been done under a permit issued in accordance with this code.
6. Not more than eighty (80) percent of the plan review fee paid where an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan review effort has been expended.

The code official shall not authorize the refunding of any fee paid except upon written application filed by the original permittee not later than 180 days after the date of fee payment.

Section 108.4 Violation penalties. Any person who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, install, alter or repair plumbing work in violation of the approved construction documents or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be guilty of a City ordinance violation, punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment not exceeding ninety (90) days, or both such fine and imprisonment. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

Section 108.5 Stop work orders. Upon notice from the code official, work on any plumbing system that is being done contrary to the provisions of this code or in a dangerous or unsafe manner shall immediately cease. Such notice shall be in writing and shall be given to the owner of the property, or to the owner's agent, or to the person doing the work. The notice shall state the conditions under which work is authorized to resume. Where an emergency exists, the code official shall not be required to give a written notice prior to stopping the work. Any person who

shall continue any work in or about the structure after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be liable to a fine of not less than \$50.00 dollars or more than \$500.00 dollars.

Section 109 Application for appeal. Any person shall have the right to appeal a decision of the code official to the Board of appeals. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or an equally good or better form of construction is proposed. The application shall be filed on a form obtained from the code official within 20 days after the notice was served. All appeals shall be deferred to the Building Board of Appeals for the City of Aurora. See Section 500.030: International Building Code – Amended

Cross references--Housing, ch. 515; streets, sidewalks, and other public places, ch. 535.

SECTION 500.140: HOUSING FRONTING STREETS -- ASSIGNMENT OF EVEN OR ODD NUMBERS -- MULTIPLE STORIES

All houses fronting on streets of the City shall be numbered. The houses on the north and west sides of the streets shall bear odd numbers, and the even numbers shall be on the houses on the south and east sides of the streets, and every story above the first shall be numbered alphabetically, beginning with the letter "A". (Code 1972, §32-30; CC 1988 §5-146)

SECTION 500.150: LINES OF DIVISION

The division of the City for the purpose of numbering shall be north and south from the St. Louis and San Francisco Railroad, and east and west from McNatt Avenue on the north side of the railroad and east and west from Madison Avenue on the south side of the railroad, and the first (1st) house on each street from the lines of division shall be numbered as 1 or 2 as the case may be as provided in Section **500.140**, and the odd numbers shall continue on the one side of the street and the even numbers shall continue on the other side of the street until the end of the block is reached. Each block, except the first (1st) from the lines of division, shall be numbered as a hundred running from such line of division. (Code 1972, §32-31; CC 1988 §5-147)

SECTION 500.140: DISTANCE ALLOCATED FOR EACH NUMBER

A distance of sixty (60) feet shall be allowed for each number, and all persons owning houses are hereby required to number their houses in accordance with the provisions of this Article. (Code 1972, §32-32; CC 1988 §5-148)

SECTION 500.160: NUMBERING OF HOUSES--REQUIRED

A. The owner of each dwelling house, multi-family building or business establishment in Aurora, Missouri, shall affix to the front of it, or attach to a permanent structure in its yard, numerals designating the street number of said building located to be visible from the street.

B. The numbers shall be displayed in numerical form, and not in script form, large enough to be legible and of a color which contrasts with the background on which they are placed.

C. Failure to comply with this Section shall result in a fine, upon conviction, of not less than five dollars (\$5.00) nor more than twenty dollars (\$20.00). (Ord. No. 93-2105 §§1--3, 4-26-93)

See Section 304.3 of the International Property Maintenance Code (See Article VIII Property Maintenance Code).

ARTICLE VII. FUEL GAS

SECTION 500.170: FUEL GAS CODE--ADOPTION

The City hereby adopts the International Fuel Gas Code, **2018** Edition, as published by the International Code Council, Inc., one (1) copy of which code is on file in the office of the City Clerk and marked "Official Copy".

The following amendments shall be made to the International Fuel Gas Code:

Section 101.1 These regulations shall be known as the Fuel Gas Code of the City of Aurora, hereinafter referred to as "this code."

Section 106. 6.2 The fees for all mechanical work shall be as indicated in the following schedule: See City Ordinances 500.030.

Section 106.6.3 Fee refunds. The building official shall authorize the refunding of fees as follows:

7. The full amount of any fee paid hereunder that was erroneously paid or collected.
8. Not more than eighty (80) percent of the permit fee paid where work has been done under a permit issued in accordance with this code.
9. Not more than eighty (80) percent of the plan review fee paid where an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan review effort has been expended.

The code official shall not authorize the refunding of any fee paid except upon written application filed by the original permittee not later than 180 days after the date of fee payment.

Section 108.4 Violation penalties. Any person who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, install, alter or repair plumbing work in violation of the approved construction documents or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be guilty of a City ordinance violation, punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment not exceeding ninety (90) days, or both such fine and imprisonment. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

Section 108.5 Stop work orders. Upon notice from the code official, work on any plumbing system that is being done contrary to the provisions of this code or in a dangerous or unsafe manner shall immediately cease. Such notice shall be in writing and shall be given to the owner of the property, or to the owner's agent, or to the person doing the work. The notice shall state the conditions under which work is authorized to resume. Where an emergency exists, the code official shall not be required to give a written notice prior to stopping the work. Any person who shall continue any work in or about the structure after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be liable to a fine of not less than \$50.00 dollars or more than \$500.00 dollars.

Section 109 Application for appeal. Any person shall have the right to appeal a decision of the code official to the Board of appeals. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or an equally good or better form of construction is proposed. The application shall be filed on a form obtained from the code official within 20 days after the notice was served. All appeals shall be deferred to the Building Board of Appeals for the City of Aurora. See Section 500.030: International Building Code – Amended

ARTICLE VIII. PROPERTY MAINTENANCE CODE

SECTION 500.180: ADOPTION OF PROPERTY MAINTENANCE CODE

A certain document, one (1) copy of which is on file in the office of the City Clerk of the City of Aurora of the State of Missouri, being marked and designated as the International Property

Maintenance Code, 2018, as published by the International Code Council, Inc., be and is hereby adopted as the Property Maintenance Code of the City of Aurora in the State of Missouri for the control of buildings and structures as herein provided; and each and all of the regulations, provisions, penalties, conditions and terms of said International Property Maintenance Code are hereby referred to, adopted and made a part hereof, as if fully set out in this Article, with the additions, insertions, deletions and changes, if any, prescribed in Section 500.180 of this Article. (Ord. No. 96-2217 §1, 2-27-96; Ord. No. 2004-2581 §§1--3, 1-27-04; Ord. No. 2004-2628 §§1--3, 11-9-04)

SECTION 500.190: ADDITIONS, INSERTIONS AND CHANGES

The International Property Maintenance Code is amended and revised in the following respects:

Section 101.1 These regulations shall be known as the International Property Maintenance Code of the City of Aurora hereinafter referred to as "this code."

Section 103.5 Fees. The fees for activities and services performed by the department in carrying out its responsibilities under this code shall be as indicated in the following schedule: See City Ordinances 500.030.

106.3 Prosecution of violation. Any person failing to comply with a notice of violation or order served in accordance with Section 107 shall be deemed guilty of a misdemeanor or civil infraction as determined by the local municipality, and the violation shall be deemed a strict liability offense. If the notice of violation is not complied with, the code official shall institute the appropriate proceeding at law or in equity to restrain, correct or abate such violation, or to require the removal or termination of the unlawful occupancy of the structure in violation of the provisions of this code or of the order or direction made pursuant thereto. Any action taken by the authority having jurisdiction on such premises shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.

106.4 Violation penalties. Any person who shall violate a provision of this code, or fail to comply therewith, or with any of the requirements thereof, shall be prosecuted within the limits provided by state or local laws. Each day that a violation continues after due notice has been served shall be deemed a separate offense. In addition to the penalties set forth herein the City shall have all the remedies as set forth in Chapter 220 of the City Code.

106.5 Abatement of violation. The imposition of the penalties herein prescribed shall not preclude the legal officer of the jurisdiction from instituting appropriate action to restrain, correct or abate a violation, or to prevent illegal occupancy of a building, structure, or premises, or to stop an illegal act, conduct, business or utilization of the building, structure, or premises.

Section 111 Application for appeal. Any person shall have the right to appeal a decision of the code official to the Board of appeals. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or an equally good or better form of construction is proposed. The application shall be filed on a form obtained from the code official within 20 days after the notice was served. All appeals shall be deferred to the Building Board of Appeals for the City of Aurora. See Section 500.030: International Building Code – Amended

Section 302.4 Premises and exterior property shall be maintained free from weeds or plant growth in excess of seven (7) inches. Noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants, and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.

Upon failure of the owner or agent having charge of a property to cut and destroy weeds after service of a notice of violation, they shall be subject to prosecution in accordance with Section 106.3 and as prescribed by the authority having jurisdiction. Upon failure to comply with the notice of violation, any duly authorized employee of the jurisdiction or contractor hired by the jurisdiction shall be authorized to enter upon the property in violation and cut and destroy the weeds growing thereon, and the costs of such removal shall be paid by the owner or agent responsible for the property.

Section 304.3 Premises Identification. Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be not less than 4 inches (102 mm) in height with a minimum stroke width of 0.5 inch (12.7 mm).

Section 304.14 Insect screens. During the period from January 1 to December 31, every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch (16 mesh per 25 mm), and every screen door used for insect control shall have a self-closing device in good working condition.

Exception: Screens shall not be required where other approved means, such as air curtains or insect repellent fans are employed.

Section 602.3 Heat supply. Every owner and operator of any building who rents, leases, or lets one or more dwelling units or sleeping units on terms, either expressed or implied, to furnish heat to the occupants thereof shall supply heat during the period from January 1 to December 31 to maintain a temperature of not less than 68°F (20°C) in all habitable rooms, bathrooms, and toilet rooms.

Section 602.4 Occupiable workspaces. Indoor occupiable workspaces shall be supplied with heat during the period from January 1 to December 31 to maintain a temperature of not less than 65°F (18°C) during the period the spaces are occupied.

Exceptions:

1. Processing, storage, and operation areas that require cooling or special temperature conditions.
2. Areas in which persons are primarily engaged in vigorous physical activities.

The City of Aurora shall certify to the adoption of this Article and cause the same to be published as required by law and this Article shall take effect and be in force from and after its approval as required by law. (Ord. No. 96-2217 §1, 2-27-96; Ord. No. 96-2235 §3, 5-14-96; Ord. No. 2002-2518 §1, 8-27-02; Ord. No. 2004-2581 §§1--3, 1-27-04; Ord. No. 2628 §§1--3, 11-9-04)
