- "Pop Up" Parades are becoming an issue. When these are done, we are taking PD staff that are on shift off of patrol and call response to manage parades. The number of parades are increasing. Our Special Event permits allow for parades and require pre approval so that City Staff can be scheduled, which is an extra cost to the City. We need direction from Council on how they would like us to proceed.
- Carpet Replacement – the carpet in the PD is original to the building. It is becoming frayed and creating trip hazards. There is adequate funding in the budget to replace it, even though it has not been budgeted for this year. We would like to move forward with advertising for bids for this replacement. We estimate \$12K to \$16K to complete all areas in the PD and Fire areas.
- "Police Week" is May 9th through 15th and Peace Officer Memorial Day is May 15th. We are working on a proclamation for that week and will be inviting our PD staff to our next Council Meeting.
