**NARRATIVE STATEMENT.** Please provide a brief statement explaining your interest in serving on the boards that you have listed, and any strengths or knowledge that you believe that you could bring to the position for which you are applying. Information may include education, professional experience, and community activities pertinent to the position for which you are applying.

I currently am the President of the Aurora Houn Dawg Athletic Booster Club, and I work at the Aurora R-8 School District as a Jr. High Volleyball coach. As such, I am heavily involved in the Aurora community and the school district. I have started and successfully ran a youth volleyball program based in Aurora that brings many different families into our community from all our surrounding towns (Verona, Mt. Vernon, Marionville, Crane, Hurley.) I feel I would be a great asset to any of the board positions available. With my background in athletics and recreation I feel I would be best suited for the park board.

I understand that my attendance at all regularly scheduled meetings is critical even if I am an alternate member and that the City Council may remove members who are absent from regular meetings for 3 consecutive meetings. I also understand that this application is considered a public record.
