RE: Engineering Drawing Review for South Point Ridge Subdivision – Round 4

Dear Mr. Holmes:

The Plans, latest revision March 15, 2023, for the South Point Ridge subdivision, located northeast of the intersection of Hudson Avenue and Prospect Street, were received on March 16, 2023. The plans were developed by CFS Engineers. On behalf of the City of Aurora, we have reviewed the plans and have found all comments to have been addressed.

Please call if you have any questions or if you need any additional information.

Sincerely,

ALLGEIER, MARTIN, and ASSOCIATES, INC.
