Re: WWTP Entrance Road Culvert Replacement

Dear Mr. Holmes:

We have reviewed the four (4) bids received April 25, 2023, for the construction of the referenced project, and subsequently prepared a tabulation of the bid. The totals on the enclosed Tabulation of Bids show the amounts of the submitted bid.

It is the recommendation of this office that the City award the contract to G&G Construction Company, Inc. from Carthage, Missouri. This recommendation is predicated upon the following:

1. G&G Construction is the low, responsive, responsible bidder with a Base Bid in the amount of \$377,000.00.
2. Their reputation and recent experience suggest that they are capable of performing this type of construction.
3. The Missouri Department of Transportation also recognizes G&G Construction as an approved highway contractor.
4. A recent conversation with Mr. Dennis Johnson suggests that G&G Construction is comfortable with the submitted bid and the associated scope of work shown on the plans and as indicated by the contract documents and specifications.

If the City concurs with this recommendation, please sign each copy of this letter below where indicated and return one copy to this office. Please also sign the notice to proceed where indicated and return two (2) copies to this office. Once executed, we will provide contract documents to G&G Construction for execution and work with both parties to establish a date for the issuance of the notice to proceed.

Do not hesitate to call if you have any questions.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.
