I have 36 year experience in the insurance Business. The first 25 I administered group health Ins. plans for School District employees. That gave me a strong background with health care systems, payment of claims, pricing, etc. The last 10 + year I owned and operated my Cellular Ins. Agency.

I understand that my attendance at all regularly scheduled meetings is critical even if I am an alternate member and that the City Council may remove members who are absent from regular meetings for 3 consecutive meetings. I also understand that this application is considered a public record.

I have been on ~~one~~ many Community Boards & Committees. I have also served on many school, church, and volunteer organizations so I know how boards work. I am a good listener with a quality education and work career that required me to work well with others, as a team member, and caring for all, with integrity for all. I have never served or worked for a government agency, nor have any pre-conceived ideas about zoning or Aurora. I value this community as the hometown for generations of my husband's family. I have a BSN from Univ. of MO. worked as a burn nurse, intensive for health education at the Wiscovey Center in Springfield
