5. PUBLIC COMMENT

Mary Long addressed to Council that she received a letter in the mail from the USPS stating that they will not be delivering within two blocks of her residence due to dogs being loose. She doesn't feel that that is fair since they aren't her dogs and concerned about the people who don't have access to the Post Office or a way to get there.

Shelly Brown addressed Council requesting the use of empty City lots for Community Gardens. She would plan to plant common plants for everyone in the community to come get. She said she also has her church to help with the care and upkeep of these properties.
